## SAUVIGNON BLANC 2022

**THE WINE** | Lovely and bright—a quintessential rendition of Paso Robles Sauvignon Blanc. Tantalizing aromas of grapefruit, pineapple, gooseberry and quince reveal floral impressions of lemongrass and acacia, all balanced by notes of lychee and wet stone. The palate is classily structured and elegantly styled, displaying crisp, juicy fruit flavors that burst across the palate, including lemon chiffon, key lime pie and kiwi accented with green apple, white nectarine and pineapple. Decisively refreshing, this wine finishes clean with lingering notes of dragon fruit, passionfruit and citrus.

**THE VINTAGE** | DAOU wines represent our passion for approachable luxury. Winemaker Daniel Daou has cultivated deep connections with select Paso Robles growers for numerous vintages, allowing him to maintain absolute quality and consistency. The 2022 growing season was initially marked by winter drought conditions that were alleviated by rains in late March and April—a miracle happenstance that replenished the soils and set the pace for healthy vine canopies to come. A later-than-usual bud break was followed by normal spring and summer weather patterns through August. Finally, a September heat wave prompted an early harvest that put Daniel's ingenuity, artistry and experience to the test. In the end, 2022 was a winemaker's vintage, yielding elegantly flavorful and balanced wines that prove the importance of mastering grape growing and winemaking.

**DAOU FAMILY ESTATES** | Family owned and operated, DAOU Family Estates is committed to producing collectible, world-class wines to rival the most respected appellations in the world. Situated on a 212-acre hilltop estate in the Adelaida District of Paso Robles, our remarkable geology, favorable microclimate, and high elevation were once described by renowned California winemaker André Tchelistcheff as “a jewel of ecological elements.” As stewards of this beautiful terroir, DAOU's goal is to make unique fine wines that honestly and accurately reflect the potential of the Estate and to craft Bordeaux style wines that combine Old World tradition with New World techniques.
