CHARDONNAY

2021

DISCOVERY COLLECTION

THE WINE | The 2021 Discovery Chardonnay leads with a stunning nose of juicy pineapple, freshly sliced pears, lemon chiffon and warm toast. Spicy notes of nutmeg and ginger are highlighted with star jasmine and honeysuckle fragrances accompanied by hints of smoky oak and hazelnut. Elegant and silky on the palate, this Chardonnay offers delectable peach, melon and green apple flavors accentuated by tropical notes of mango, guava, pineapple and kiwi. A clean, exceptionally balanced finish is rounded out with essences of sweet Crenshaw melon, nectarine and papaya.

THE VINTAGE | DAOU Discovery Collection wines represent our passion for approachable luxury. Winemaker Daniel Daou has cultivated deep connections with select Paso Robles growers for numerous vintages, allowing him to maintain absolute quality and consistency. The 2021 growing season was preceded by a dry winter, with only one large storm system that provided considerable rainfall in February. A period of light rain in July also replenished the soil with much-needed moisture. While the summer season was marked by periodic heat waves, the weather cooled down by mid August and remained that way through harvest. This cooling trend allowed the fruit to enjoy exceptional hang time. In the end, low yields and small berries provided wines with fine balance and vivid varietal flavors.

DAOU FAMILY ESTATES | Family owned and operated, DAOU Family Estates is committed to producing collectible, world-class wines to rival the most respected appellations in the world. Situated on a 212-acre hilltop estate in the Adelaida District of Paso Robles, our remarkable geology, favorable microclimate, and high elevation were once described by renowned California winemaker André Tchelistcheff as “a jewel of ecological elements.” As stewards of this beautiful terroir, DAOU’s goal is to make unique fine wines that honestly and accurately reflect the potential of the estate and to craft Bordeaux style wines that combine Old World tradition with New World techniques.
